

# GET HELP FROM **OUR EXPERTS**

## **1ST VISIT REPAIRS**

Each service van carries a large inventory of parts. Over 90% of calls are repaired on the first trip.

Our technicians are armed with extensive training and knowledge to assist you with your entrances.

## **ALWAYS ACCESSIBLE**

We offer same day/next service as well as 24/7 emergency services for safety and security issues after hours.

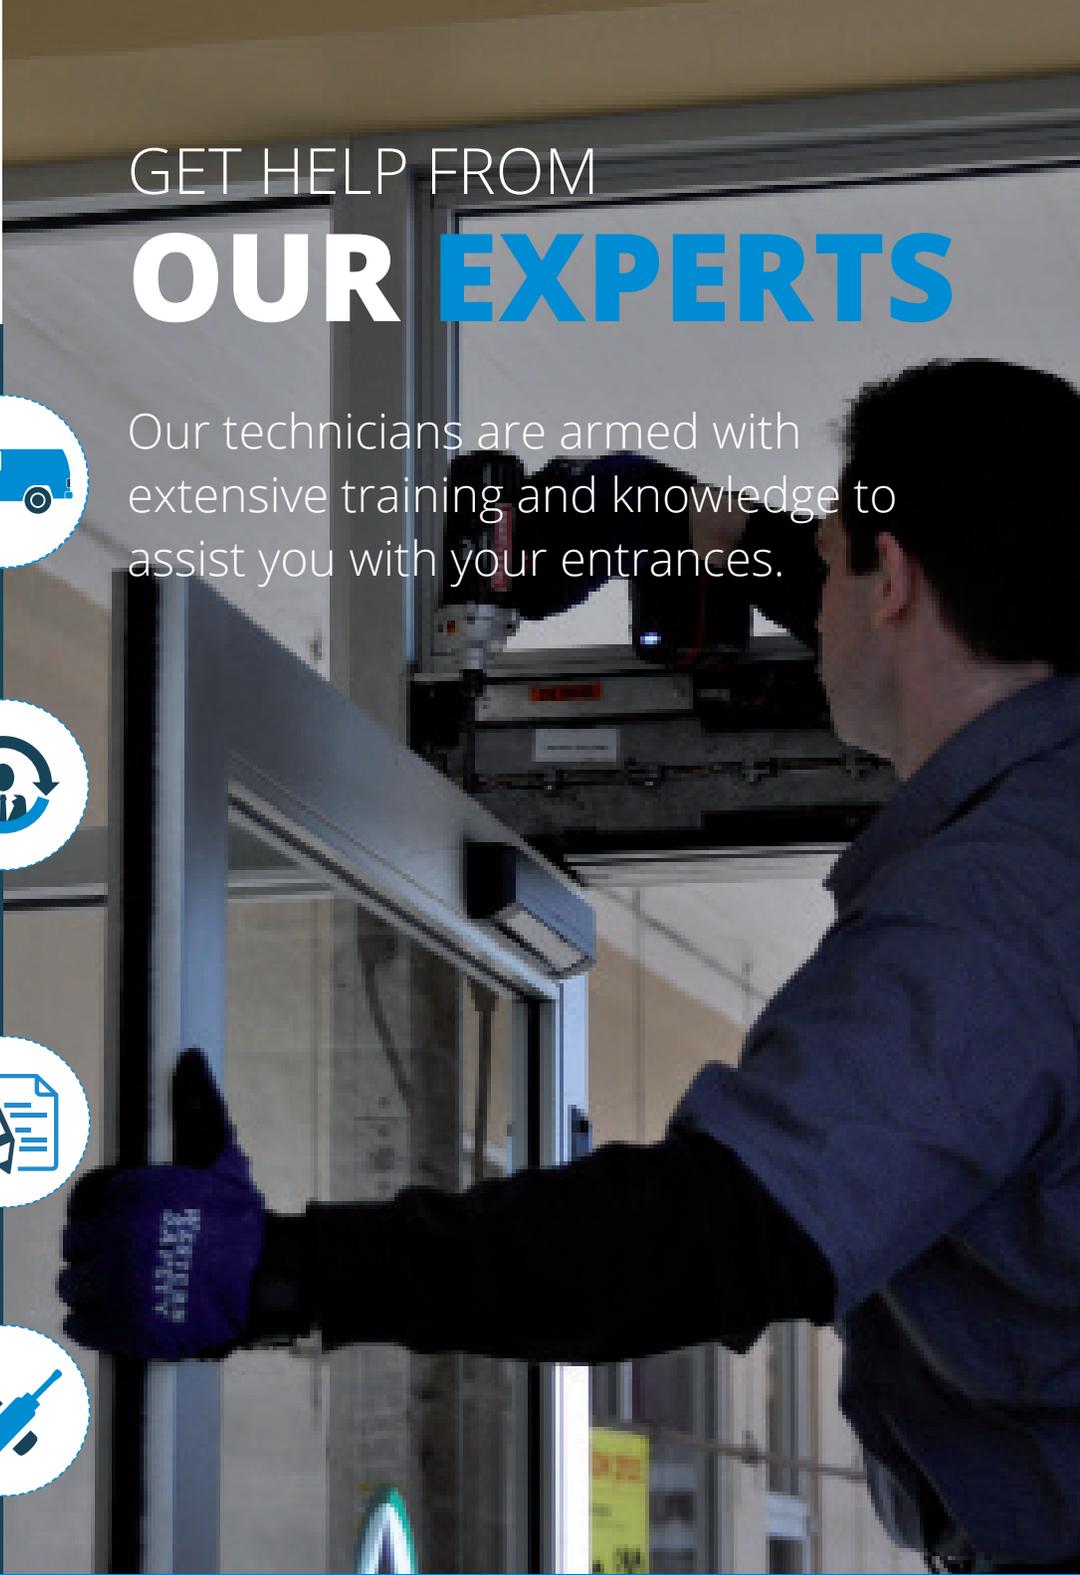

## **ALWAYS SAFE**

AAADM certified technicians adjust each door to meet or exceed ANSI standards on each call.

## **ABOVE AND BEYOND**

We offer a 180-day extended warranty on all parts, a full 100% longer than our competitors.

## WHO WE ARE

Family owned and operated for over 30 years, we are experts in the field of automatic pedestrian entrances. Now with 2 locations to serve you!

## WHAT WE DO

We service all makes and models of automatic and manual entrances, hollow metal doors, and exit hardware. We also offer storefront glass solutions.

## WHY WE DO IT

Your door is the first customer service experience at your facility. We also believe that accessibility opens the doors of opportunity for your community.

# SEARCHING FOR **NEW IDEAS**

You shouldn't have to settle for the same old service.

## **GOING THE EXTRA MILE**

We don't just want to meet your expectations. We strive to exceed them! Our technicians take the time to explain repairs, answer questions, and teach your staff how to perform a daily safety check.

## **EXPERIENCE THE DIFFERENCE**

Little things can make a big difference. With each service call, we clean and adjust all moving parts on the door to ensure smooth operation. We clean the door frame and glass after a repair so your customers will never know we were there.
